

The logo features the text 'EAPA SYMPOSIUM 2014' in white, set against a blue background of overlapping triangles.

EAPA
SYMPOSIUM
2014

8TH EAPA SYMPOSIUM
- PARIS, 12 JUNE 2014

A large industrial machine, possibly a hot mix asphalt plant, is the central focus. It has a complex structure with multiple levels, stairs, and a tall vertical silo. The machine is dark grey or black. In the foreground, two men in suits are standing and talking. To the right, there are other exhibition stands and people. The background shows a clear blue sky and some greenery.

CHALLENGES AND OPPORTUNITIES FOR
THE EUROPEAN ASPHALT PAVING INDUSTRY
IN THE 21ST CENTURY

EUROPEAN ASPHALT PAVEMENT ASSOCIATION

Venue

The 8th EAPA Symposium 2014 will be held on 12 June 2014 in La Maison des Travaux Publics, 3 rue de Berri, 75008 Paris.

Title

“Challenges and opportunities for the European asphalt paving industry in the 21st century”

Purpose

Providing the latest news of the asphalt sector concerning current and future topics.

Participants

The target audience of this EAPA Symposium is EAPA members and the members of EAPA members, the asphalt industry, the bitumen industry, ministries, administration, academics, etc.

Registration

The registration form can be found on the last page of this brochure and on the EAPA website www.eapa.org/symposium.

Programme in Short

After a welcome speech of the EAPA president there will be three sessions with speakers from all over Europe:

Session 1: “From constructing new roads to preventive maintenance”

Session 2: “Paving durable roads”

Session 3: “Workforce challenges – keeping health and quality assured”.

The last speech of the day will be given by Mike Acott, president of the National Asphalt Pavement Association, USA. He will speak about “Communication of asphalt advantages” which supports the European activities on this subject.

The Symposium will close with the closing remarks of the EAPA President.

More details about the programme and the speakers can be found at the next page and on the EAPA website www.eapa.org/symposium.

Symposium Language

The symposium language will be English.

PROGRAMME

10.30: **REGISTRATION AND WELCOME COFFEE**

11.30: **OPENING**

by the President of the European Asphalt Pavement Association

11.40: **SESSION 1**

"FROM CONSTRUCTING NEW ROADS TO PREVENTIVE MAINTENANCE"

- "Maintenance and reducing costs"
by Yann Lefevre, Colas, UK
- "Contracts that really work"
by Lotte Josephsen, Lemminkäinen A/S, Denmark

LUNCH

13.45: **SESSION 2**

"PAVING DURABLE ROADS"

- "Process Automated Asphalt Paving - Quality from asphalt plant to paver" by Dr. Norbert Simmleit, STRABAG Competence Centre for Construction Materials (TPA), Germany
- "Use of IT equipment to improve the quality and to assist the workers"
by Egbert Beuving, EAPA, Belgium

COFFEE BREAK

15.30: **SESSION 3**

"WORKFORCE CHALLENGES – KEEPING HEALTH AND QUALITY ASSURED"

- "Education – motivation – training of the workers"
by Katrin Hunstock, EUROVIA, Germany
- "Health aspects for workers"
by Mike Acott, National Asphalt Pavement Association (NAPA), USA

16.30: **"COMMUNICATION OF ASPHALT ADVANTAGES"**

by Mike Acott, President of the National Asphalt Pavement Association, USA

16.50: **CLOSING & CONCLUSION**

by the President of the European Asphalt Pavement Association

17.00: **END OF SYMPOSIUM**

8TH EAPA SYMPOSIUM
- PARIS, 12 JUNE 2014

LOCATION

La Maison des Travaux Publics, Amphithéâtre Auguste Brûlé, 3 rue de Berri, 75008 Paris
